I don't think so. Joyce is on phones this AM and is working coordination with the field. Gina should be in as well. [redacted] **Personal Matters/Ex. 6**

[redacted] **Personal Matters/Ex. 6** [redacted] Big focus has shifted to getting Way and Hays what they need in Silverton to do water treatment and address the source area. Bob Brobst did some masterful work with ERT yesterday to assist them.

Thanks for your help on this incident.

Hi Steve – have you heard if there's an ops call this morning? I just did my COOP telework exercise from home and am heading in to the office.

Thanks!
